

MENTOR DEVELOPMENT OPTIONS

Advanced Coaching for Leading Professionals

With the standard mentoring experience, you practice and learn essential leadership skills by guiding Rising Stars through our curriculum and exploring their personal and professional goals.

With our Mentor development options - ELEVATE, GROW and GROW PREMIUM - we provide Wedu volunteer mentors with more advanced and personalized support options to help you reflect on your own growth, objectives, and mentorship style.

ELEVATE

Jumpstart your potential through mentoring

- Build a **personalised mentor development plan** with help from the Wedu team through individual sessions
- **Get support** for an effective mentorship cycle with your Rising Star
- Receive feedback on your mentorship journey through **periodic reports**

Development features:

- Pre-coaching self-assessment
- Connect, reflect, and grow with your peers through mentor reflection sessions
- Three 1:1 mentorship development sessions
- Build a customized Mentor Development Action Plan
- Engage in a live, interactive leadership and self-empowerment webinar

GROW

Hone your strengths with personalized coaching

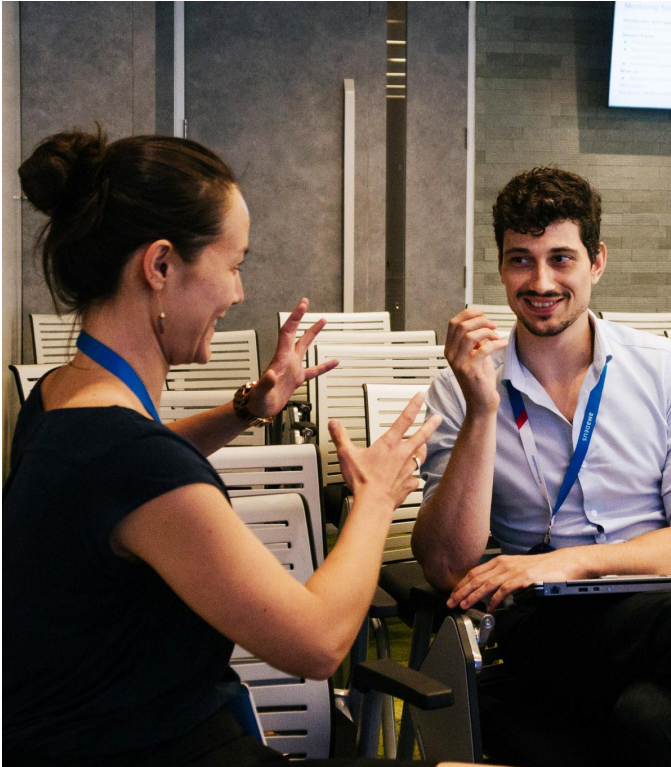

- **Sessions tailored** to your specific growth areas and pace
- **Coaching to positively impact** your individual performance
- **Learn new skills** with Wedu webinars to apply at your workplace/ with your team

Development features:

- Pre-coaching self-assessment
- Connect, reflect, and grow with your peers through mentor reflection sessions
- Customized mentorship assessment by accredited coach
- Three 1:1 coaching and development sessions
- Build a customized Professional Development Action Plan
- Engage in two live, interactive leadership and self-empowerment webinars

GROW PREMIUM

Lead your growth with executive coaching

- **Work with an executive coach** to assess areas of development for your professional growth
- **Focus on** your leadership ability and professional performance
- **Build an action plan** to sustain your development
- **Learn new skills** with Wedu webinars to apply at your workplace with your team

Development features:

- Pre-coaching self-assessment
- Connect, reflect, and grow with your peers through mentor reflection sessions
- Customized mentorship assessment by accredited coach
- Three 1:1 coaching and development sessions
- Engage in two live, interactive leadership and self-empowerment webinars
- Summary of coaching work and sustainable growth plan

ADDITIONAL DETAILS

- ❑ You must be matched with a Rising Star in order to subscribe to one of these development options. Contact mentorship@weduglobal.org if you have questions about your Wedu Mentor status.
- ❑ If you are a new mentor, you must be matched by 1st of July with your Rising Star.
- ❑ The **interactive webinars** are facilitated by professional coaches and trainers. Themes explored are related to self-empowerment, mentoring, coaching and leadership. All mentors subscribed to this option will receive a self-assessment questionnaire before the webinars so content is customized to each audience.
- ❑ During **mentor reflection sessions**, Wedu mentor community members come together to share their journey and insights as mentors. This is a great opportunity to learn from one another and receive practical tips. Sessions are interactive and facilitated by a Wedu community member.
